GAIKAVATI MANIDEEP

manideepg2005@gmail.com ⌂ +91 7671997389 § Github ¡ LinkedIn * Hyderabad, India

Professional Summary

I'm a motivated 4th-year B.Tech CSE (Cyber Security) student with strong skills in Python, SQL, and data structures. Passionate about software development and user-focused product design, I apply AWS and Generative AI in projects to solve real-world problems. I enjoy collaborating across teams, understanding customer needs, and building innovative solutions that deliver measurable impact.

Technical Skills

- **Web Technologies:** HTML, CSS, JavaScript, Flask, SpringBoot,Next.js
- **Database Management:** SQL, DBMS
- **Version Control:** GitHub/Git
- **Tools**: MS Office Suite (Excel, PowerPoint, Word)
- **Coursework:**Operating Systems | Computer Networks | Database Management Systems | Data Structures & Algorithms | Software Engineering
- **Programming Languages:** Core Java-8, Python

Education

Keshav Memorial College of Engineering, Hyderabad	2022 - Present
B.Tech in Computer Science (Cyber Security)	CGPA: 7.6
KLN Junior College, Miryalaguda	2020 - 2022
Intermediate (MPC)	Percentage: 94%
Dowhill High School, Miryalaguda	2008 - 2020
10th Grade	GPA: 10

Projects

QR Code Generation and Vehicle Efficiency Calculator   June 2025 §

- Designed a comprehensive software solution to evaluate the efficiency of pre-owned vehicles, including fuel consumption and performance metrics.
- Created an automated system to generate QR codes linked to vehicle efficiency details for quick reference.
- *Technologies used:* **Python, SQL, Flask.**

Experience

Web Development Intern – ApexPlanet   Aug 2025 – Oct 2025

- Assisted in designing, developing, and maintaining responsive web applications.
- Gained hands-on experience with frontend (HTML, CSS, JavaScript) and backend (Flask).

Achievements

Cultural Club Leader
- Led a 25+ member team to organize college-level cultural events and festivals.Successfully led cultural event management for 500+ participants.

CodingClubMember
•Actively participated in coding sessions, workshops, and hackathons.

SIH(participant)
- Participated in *Smart India Hackathon*, contributing to innovative problem-solving at college-level.

Certifications

- AWS Solution Architecture
- SQL Developer Badge (Infosys Springboard)
- Data Science & Analytics (by HP Life)
- Cybersecurity Analyst Job Simulation

Languages

• English, Hindi, Telugu

Additional Information

Hobbies/Interests: Problem Solving, Exploring New Technologies, Web Development, Cybersecurity
